Sub.: Silent Protest to be observed by ARSSF demanding Implementation of 7th UGC pay packages and Five Working days in a week – Reg.

Dear Sir,

The ARSSF CEC is highly grateful for your kind hearted efforts for speedy implementation of 7th UGC packages for scientists and positively considering the issue of implementation of five days week in ICAR institutes. Despite of your kind efforts, these two issues are being delayed unduly due to various reasons. The scientists of ICAR across the country expressed their disappointment on delayed process of these two issues. Hence, all the members of ARSSF unanimously decided to observe silent protest on 1st March 2018 by wearing black badges demanding immediate implementation of seventh pay UGC recommendations and five working days in ICAR institutes as followed in ICAR Head Quarter. The scientists of ICAR will observe the protest without affecting any responsibilities / works of larger scientific community of ICAR. **Through this demonstration and representation, the ARSSF would like to reach and request all the respected Directors of ICAR institutes to agree the demand of five days week. We also demand that all the efforts should be made to issue the notification for 7th Pay implementation for the scientists of ICAR at the earliest.** On behalf of the all members of ARSSF, I incline to communicate for your kind information.

With Kind Regards

S. Manivannan
General Secretary, ARSSF
