Sub.: No re-employment or extension after attaining superannuation / completion of tenure period in case of Research Management Positions in ICAR – requested - Reg.

Dear Sir,

On behalf of scientists of ICAR, the ARSSF thanks for your kind blessings on various issues like restructuring ASRB, Review of scientific cadre strength and no extension on research management positions. In fact, the decision on no extension to tenurial research management positions has been profusely lauded by all the scientists of ICAR. It will not only provide opportunity to many to serve the organizations but also improve the working ambiance. It is understood that the few of the incumbent of senior research management positions those who are retiring are applying for extension after attaining the age of superannuation. In this context, the ARSSF requests your kind self to adhere zero tolerance on no extension for the incumbent of tenurial RMPs after superannuation uniformly for all RMPs in ICAR. Such actions will go a long way in making ICAR more vibrant and productive organization.

With Kind Regards

S. Manivannan

General Secretary, ARSSF
